

Dear Supporter,

The Fallen 5, July 16th, 2015

I am on a mission to never forget the Fallen 5 – the 4 Marines and 1 Sailor who were killed in the terrorist attack on July 16th, 2015 in Chattanooga, TN. I have dedicated an annual 5,000-mile drive from Chattanooga, TN to San Francisco, CA in their honor, by carrying a special folded American flag from the shooting site and then flying it from the Golden Gate Bridge. I named it the “Fallen 5 Drive”. I am turning a tragedy into a triumph with your help, to heal our community and spread the message of unity and love across our country - values we all Americans share.

To make the trip a success I need sponsorship and donations to cover the costs for the mission. Each year I receive support from the community in and around Chattanooga to help involve others and provide a healing mission. I demonstrate how we Americans can work together in times of need and how we never forget about the people who sacrifice everything to protect others.

By sponsoring the trip your organization will benefit from the positive associations of helping out a great cause. To never forget is our mantra... never forget about the Fallen 5, the police and fire departments, the service members who never made it home, and for those still serving. Americans always answer the call to serve, we always have. I am asking for your help in carrying the message of ***never forgetting*** the Fallen 5 heroes for 5,000 plus miles and for the rest of the year.

Sponsoring the trip will generate a huge amount of positive publicity and community goodwill on your behalf, due to the fact that the mission is vitally important to our community and country. The truck looks so different and cool and receives a ton of attention – and it is also the World’s First 5 Fueled Automobile! It is a vehicle for a larger message of how Americans work together for an improved future and inspire one another. Sponsorship can come in many ways such as financial contributions, parts, or volunteering. You will be listed on www.fallen5drive.org, our Facebook page, and other social media accounts to show your support. Naming you or your organization is possible at every news interview on TV and radio, in press releases, in local and national newspapers, and other coverages.

By sponsoring the 2019 mission you will have the opportunity to support a once-in-a-lifetime memorial, a completely original truck, and be affiliated with setting at least 1 World Record or more! The mission will take place in August or September for the 4th consecutive year. Sponsorships are filling fast so a quick response will ensure you get the best exposure for your organization. If you cannot sponsor the mission please share the mission with others, visit the website, like and share the Facebook page, and follow the mission as we embark on the journey.

Contact Joshua Kapellusch – the founder of the Fallen 5 Drive and builder of the truck for more information. Visit www.fallen5drive.org for updates and to read more about the mission.

Thank you and sincerely,

2018 Fallen 5 Drive Success! 3rd Consecutive Year
